This is my title

This is a level 3 header

Rich text is WYSIWYG (what you see is what you get). You can format it and it shows in the editor. Like Word.

Plain text is this.

This is **bold** text and this is *italic* text.

There is a line below this text

The following is code font:

`this is code font`

and this is a hyperlink to google.

1. numbering
2. doesn't
3. need
4. to
5. be
6. continuous

what's typed in the editor:

```
1. numbering
2. doesn't
1. need
6. to
2. be
32. continuous
```

And this is a table

1	2	3
:o	:D	:)
